

2021 STRATUM RED WINE

VINTAGE NOTES

2021 was the second dry growing season in a sequence of historic drought years. Fortunately, our vines responded well, achieving balanced growth and yielding a high-quality crop thanks to the water-deficit tolerance developed through five years of dry farming. We received 12 to 14 inches of total rain between Hamel Family Ranch and Nuns Canyon Vineyard—less than half our typical amount—with peak precipitation in December 2020 and March 2021. After a cooler-than-average spring, summer and late-season conditions were typically warm and dry. Our red-grape harvest began August 30 at Hamel Family Ranch and August 31 at Nuns Canyon Vineyard and concluding on September 20, marking 2021 our earliest finish on record. With a smaller crop load reflecting the vintage conditions, the wines show balanced fruit, tremendous natural intensity, and power.

TASTING NOTES

The 2021 Stratum Red Wine displays a dark ruby hue in the glass. Its lively and dynamic nose opens with black cherry, blackberry, and raspberry and a hint of flintiness, evolving into a bouquet of fresh sage, wild herbs, and delicate rose petals. These aromas are grounded by a pronounced sanguine quality, reminiscent of crushed, iron-rich volcanic rock. On the palate, layers of ripe plum and pomegranate deliver a vibrant and harmonious character. With a focused tension on the front and mid-palate, the energy and sapidity of the wine's structure extend into a finish shaped by tightly knit, chalky mineral tannins. While approachable in its youth, the wine is structured and will gracefully age over the next seven years.

INFORMATION

Variety	53% Cabernet Sauvignon, 32% Merlot, 14% Cabernet Franc, 1% Zinfandel		
Vineyard	58% Nuns Canyon Vineyard, 41% Hamel Family Ranch, 1% Armor Plate Vineyard		
Appellation	Sonoma Valley	Harvest Dates	9.1.21 – 9.20.21

ACCOLADES

94 POINTS

ROBERT PARKER WINE ADVOCATE

...“wafts of cassis and violet...bright, floral flavors...and a long, mineral-driven finish.”

– Erin Brooks, October 2024

95 POINTS

DECANTER

Stratum is the gateway to Hamel’s Cabernet-driven reds, with Cabernet Sauvignon and Merlot forming the backbone of this blend in 2021... Aromatically, it’s rich with notes of currants, pressed flowers, and a dusting of spice. On the palate, the wine is generous with an earthy, iron-like character, but fine powdery tannins, and a lingering mineral edge.

– Ana Carolina Quintela, July 2025

WINE ENTHUSIAST

"Aromas of kafir lime leaf, pineapple, sage, pithy citrus, lemon blossom and candied ginger mingle and dance on the nose of this concrete egg- and neutral-oak-aged wine. The palate brings nervy freshness and minerality that persists with flavors of lime peel and tart pineapple in a framework of generous acidity that vibrates along the finish."

Robert Parker
WINE ADVOCATE

"The 2021 Stratum is a blend of 53% Cabernet Sauvignon, 32% Merlot, 14% Cabernet Franc and 1% Zinfandel. It has ferrous scents of cast iron and deeper wafts of cassis and violet. The medium-bodied palate is more open at this stage, offering bright, floral flavors, clay-textured tannins and a long, mineral-driven finish."

Robert Parker
WINE ADVOCATE

"The 2021 Cabernet Sauvignon Isthmus, matured in 15% new French and Austrian oak, has slowly unfurling scents of black plum, cassis, lilac, cast iron and beef. The palate is powerful yet elegant. Its mineral-laced fruit is structured by dusty tannins and bright acidity, and it has a long finish laced with violet perfume."

Robert Parker
WINE ADVOCATE

"...it was matured for 20 months in 36% new French oak barrels. It takes significant time in the glass to begin to reveal its aromas of Morello cherries, thyme and cedar, but the palate is already wonderfully balanced. It boasts concentrated flavors, abundant, powdery tannins and refreshing acidity, with haunting graphite and floral character defining the long finish."
